

A.C. Harvey

The Econometric Analysis of Time Series

Publisher: Prentice-Hall; 2nd Revised
edition edition (January 1, 1990)

Language: English

Pages: 408

Size: 19.51 MB

Format: PDF / ePub / Kindle

Coverage has been extended to include recent topics. The book again presents a unified treatment of economic theory, with the method of maximum likelihood playing a key role in both estimation and testing.
